

South Carolina Department of Health and Environmental Control  
Division of Ocean and Coastal Resource Management  
927 Shine Avenue  
Myrtle Beach, South Carolina 29577

**February 9, 2015**  
**Permit Application Public Notice**

***William F. Outlaw, OCRM-15-033-A***

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

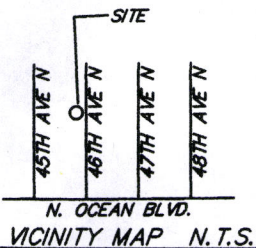

**LOCATION:** On and adjacent to "J" Canal at 331 46<sup>th</sup> Avenue North, North Myrtle Beach, Horry County, South Carolina.  
TMS: 145-02-15-039.

**WORK:** The work as proposed consists of constructing an erosion control device. Specifically, the applicant seeks to build an approximate 50' vinyl bulkhead 18" channelward of the existing bulkhead. The work as described is for erosion control.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

Comments regarding this application must be received by the Department on or before **February 24, 2015**. For more information, please contact:  
**Tanitra Marshall at 843-238-4528 or via email at [marshats@dhec.sc.gov](mailto:marshats@dhec.sc.gov).**

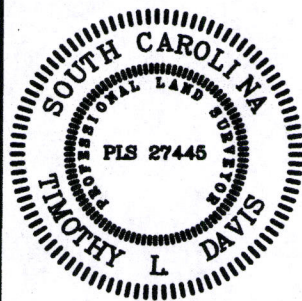

**NOTE:** Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at  
**<http://www.scdhec.gov/Apps/Environment/PublicNotices>.**
